

COLLECTION CATALOGUE

Our brand is AMITANSH (A Basic element)

Object are living part of our life, they have the ability to build relations, they teach us, interact with us and make our life beautiful and easy.

By our materials and design, we are developing new relations, sensibility, memories and responsibility toward things around you.

COLLECTION I TABLE ACCESSORIES

It is a utility product for day to day use.
Can be used as centre piece.
The form of the Product is unadorned
but geometric as to give more
emphasis on the texture of the product.

For this product we have used
other aggregate than just sand, we
have used marble as our aggregate.
